

TOOL

Weekday Focal Points

Instructions

It is critical to determine when the target market is most receptive to receive messages, and by what methods. This will allow the brand activation efforts to be as efficient and effective as possible.

You can document your target market's receptivity in a Focal Points Map. This will play an important role in choosing communication tools to move your consumer from awareness to consideration and purchase.

TARGET MARKET DESCRIPTION

WEEKDAY FOCAL POINTS

Indicate what your target is most likely doing during the noted hours. Also indicate what devices the target is using, media the target market is consuming, and the degree to which they are engaged (high, medium, low).

Time	Target is doing what?	Devices/ Media	Degree of Engagement	Time	Target is doing what?	Devices/ Media	Degree of Engagement
12 AM			Low Medium High	12 PM			Low Medium High
1 AM			Low Medium High	1 PM			Low Medium High
2 AM			Low Medium High	2 PM			Low Medium High
3 AM			Low Medium High	3 PM			Low Medium High
4 AM			Low Medium High	4 PM			Low Medium High
5 AM			Low Medium High	5 PM			Low Medium High
6 AM			Low Medium High	6 PM			Low Medium High
7 AM			Low Medium High	7 PM			Low Medium High
8 AM			Low Medium High	8 PM			Low Medium High
9 AM			Low Medium High	9 PM			Low Medium High
10 AM			Low Medium High	10 PM			Low Medium High
11 AM			Low Medium High	11 PM			Low Medium High

SATURDAY FOCAL POINTS

Indicate what your target is most likely doing during the noted hours on Saturday. Also indicate what devices the target is using, media the target market is consuming, and the degree to which they are engaged (high, medium, low).

Time	Target is doing what?	Devices/ Media	Degree of Engagement	Time	Target is doing what?	Devices/ Media	Degree of Engagement
12 AM			Low Medium High	12 PM			Low Medium High
1 AM			Low Medium High	1 PM			Low Medium High
2 AM			Low Medium High	2 PM			Low Medium High
3 AM			Low Medium High	3 PM			Low Medium High
4 AM			Low Medium High	4 PM			Low Medium High
5 AM			Low Medium High	5 PM			Low Medium High
6 AM			Low Medium High	6 PM			Low Medium High
7 AM			Low Medium High	7 PM			Low Medium High
8 AM			Low Medium High	8 PM			Low Medium High
9 AM			Low Medium High	9 PM			Low Medium High
10 AM			Low Medium High	10 PM			Low Medium High
11 AM			Low Medium High	11 PM			Low Medium High

SUNDAY FOCAL POINTS
